Dear Monica:

As we discussed today, I am enclosing a copy of the USPTO stamped return postcard, the Response to Notice to Fill Missing Parts and the substitute drawings, (4 sheets), all of which were previously submitted on March 21, 2001.

I have also enclosed a copy of the 2<sup>nd</sup> filing receipt that we have received for this application. Unfortunately, they have now changed the filing date and it is incorrect. The correct filing date is December 21, 2000.

I appreciate any help you can give us in getting these problems sorted out.

Kind regards
